**Program Information:** A fun and exciting farm experience for alpaca lovers age 8 or older; Come and discover the world of the alpaca!

**Who We Are:** Island Alpaca is a mid-sized alpaca farm committed to producing superior alpaca in diverse colors, with excellent disposition. We spend time with our alpacas on a daily basis to insure that they are easy to handle, safe for children, and fun to be around. We take great pleasure in sharing our alpaca and our knowledge with the rest of the island! Every participant will learn the basics of alpaca care, as well as where alpaca come from and why they are important to us. Participants will also meet the herd, including our newest babies. Children will get involved in hands-on activities such as barn chores, feeding, halter training, and, if luck should have it, witness the birth of a new herd member (our alpaca give birth May to September).
